Thanks for choosing to order our textbook from our publisher, Lulu Press, Inc.

Lulu gladly accepts purchase orders as payment. There are a few steps you need to take. We have created this guide to help make this as seamless as possible.

1. Create an account at Lulu.com. You will be asked to create your own username and password.

2. Usually, Lulu requires a credit application to use a purchase order. Instead, you can avoid filling that out by doing the following:
    a. Create a document on your school letterhead
    b. Begin with the following sentence, "As a school operating in the State of New York, much of the information required on your credit application is inapplicable or unavailable."

3. Then, on that same document, copy and complete the following:
    a. Our bill-to organization Name and Address is:
    b. Our Accounts Payable contact name, email address and phone number is:
    c. The name, email address and phone number of the person responsible for the order is:
    d. Our registered Lulu account email address is:

4. Attach a sales tax exemption certificate for the state where the books are being shipped

5. Email a copy of your document(s) to: purchaseorder@lulu.com

Again, thanks for your decision to purchase our book.
